BRAND NEW, **Totally Devoted: An Exploration of New Monasticism**, Simon Cross, This book brings together stories of new monasticism in the UK. **Totally Devoted: the challenge of new monasticism** by Simon Cross shows us communities and groups which all, in widely different ways, live as new monastics, seeking God and carrying on the traditions of their forebears in a way fitting for twenty-first century living. Author, activist and new monastic, Shane Claiborne had this to say about **Totally Devoted** : Every few hundred years, it seems that the Church gets infected by the world around us and we forget who we are called to be. And every few hundred years, there are folks on the fringes of the faith who hear a whisper to leave the materialism and militarism and all the clutter of the culture.and to go to the margins, and the desert and the abandoned places to rethink what it means to be Christian. Here is another piece of evidence that there is a movement once again hearing the ancient whisper of God to repair the Church which is in ruins. -Publisher.
