Balboa Press, United States, 2013. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Ascension has occurred. Mother Earth now sits in the Fifth Dimension, and she calls all of her children to raise their energies to join her. In Beyond Ascension 2012: Universal Truths, Master Saint Aloysius-through psychic channel and spiritual healer Victoria Cochrane-takes us beyond the concepts that God offers unconditional love and proposes that we are one with God. This sequel to Raising the Energies of Mother Earth Towards and After Ascension 2012 asks to look beyond our physical bodies to embrace our soul journeys. It shares the highest truths about our connection to God the Creator and to Mother Earth, our soul journey, and our abilities to traverse the universe in our sleep. Here are some of the ideas this volume introduces: It is possible to hear God s answer when we pray; all we need to do is listen. Jesus is an ascended master who is a member of the Great Cosmic Council. As such, he has been instrumental in bringing about the Ascension and the New Age. We are on an onward soul journey, and our souls speak to us through our physical, emotional, and mental bodies. All beings, humans and ethereal, are subject to spiritual law. All humans have a higher self that holds universal knowledge and has a direct connection to the Divine. Beyond Ascension 2012: Universal Truths explores the possibilities available to us if we can only look beyond the physical realm.
