528HZ SOLFEGGIO MEDITATION.: TRANSFORM YOUR LIFE, REPAIR DNA AND CREATE MIRACLES

DIVINITI PUBLISHING, United Kingdom, 2012. CD-Audio. Book Condition: New. 142 x 124 mm. Language: English . Brand New. This is one of a series of six meditation recordings by Glenn Harrold and Ali Calderwood, which are based upon the ancient solfeggio musical scale. Each note in this scale has specific healing properties and this recording uses the third note, which resonates to a frequency of 528hz. This frequency works to heal broken DNA, healing on all levels, emotional, mental, spiritual and physical, bringing relief from anxiety, fatigue, control issues and helps to release negative thinking. Consistent use of this recording will help you to create miracles in your life. This recording contains two tracks, the first you can use in the daytime as it will guide you back to full waking consciousness at the end. The second track will guide you into a deep sleep state at the end, which makes it ideal for using before you go to sleep at night. When you are instructed to repeat affirmations, connect with positive feelings (e.g. happiness, joy, love), this will help you absorb the suggestions on a deeper level. You don t have to repeat the affirmations out loud but do make a strong connection with them. You will be guided into a deep state of mental and physical relaxation and it is recommended that you listen through headphones while lying or sitting somewhere comfortable where you won t be disturbed. Listen every day initially for 21 days and then as and when you wish. However, this is purely a guideline and you can listen to the recordings as often as you like. It is important to remember that you are being guided, so you will always be in full control of the whole process. This powerful recording is a completely...
