Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

That s just for the first five stories and you have plenty more to follow and keep you hanging to every page and word until the last. The vivid imagination of the author takes us on a mental virtual roller-coaster of thrills and emotions. Life Saver and Destiny Girl brings us to an intriguing moment in time shared by a man and a mysterious woman, and carries us along to a place we may not want to be but still acknowledge. If you wonder what that means, go along and read. Risky Tripping Foxtrot is catchy with both elements of humour and action competing for the limelight. Triple Cross and Decoy take us each in their own style into that mushy gangster world. Then Down West - Dead or Alive , as the title says, brings us into the Western genre with some typical themes of revenge, gunfights and redemption. Hell Heat combines the unyielding determination of a tycoon with the sci-fi recurrent of space exploration. Then Criss-Cross Mountain , takes us into the horrid but captivating moments of a fight for...
