*It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

## TAMING THE LION S ROAR: HANDLING FEAR IN THE MIDST OF A TRIAL

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This devotional Bible study book on fear resulted from a series of Mt. Everest-type trials in my life. I finally realized one day that I was addicted to the stronghold of fear. These trials brought me straight to God s Word. After I had struggled enough and had searched and searched the Scriptures for everything that God had to say about fear, I started writing and couldn t stop. A passion then burned within me to come alongside other women in order to encourage them in handling their fears. I don t want any woman to ever feel like she is all alone or that nobody cares how much she is feeling afraid in the midst of a trial, because I have been there. I have done that. May my prayer from Psalm 119:92 become yours after you read this book: If your law had not been my delight, I would have perished in my affliction. Teach me Your Word during this season of my life like I have never known it before and make this verse my testimony when I emerge from this place.
