A young man named David and his friends and family, are drawn into a hidden world of intrigue and danger. When they learn of the existence of two rival organizations which have evolved paranormal powers due to mankind's continued genetic manipulation of the brain, and the human body through nanotechnology. Both groups have augmented these powers through technology, and use them to battle each other and the government that seeks to control them. The stakes could not be higher when David is forced to join one of these groups, to protect those he loves from a cleansing campaign to eliminate some unknown threat, to the rival groups plans for the domination of mankind. David learns to use his powers to battle the rival group and help the government that would enslave him, and makes some unlikely friends along the way. This item ships from La Vergne, TN. Paperback.
