Sri Satguru Publications, Delhi, India, 1990. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. In the process of generation of a cognition, relation plays an important role. In realism it is an utter impossibility to acquire an expressible recognition without the ontological reality of a relation. An idealist on the other hand, can do away with a relation. Dharmakirti who prepared a logical ground to argue in favour of idealism going by the name of the philosophy of Yogacara, wrote an independent treatise called Sambandhapariksa in order to deny all relation proposed by a realist. The present Book is the translation of the Sambandhapariksa of Dharmakirti into English. The translation contains detailed introduction, which deals with, The Problem, What is relation? Various parameters of relations, Occurrence-exacting relations, Types of relation in Navya-Nyaya; Samyoga and Samvaya, Svarupa, Paryapti, Kalika-Visesanata or temporal relation, Analysis of Sambandhapariksa is accompanied by Sanskrit text, Commentaries, and notes. An index of English and Sanskrit work is included. The book is published under the Bibliotheca Indo-Buddhica Series. Printed Pages: 100.
