Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.When writing about most any topic, there s always the question of what to write and what to leave out. It is my full intention to put into this concise autobiography as much information as I can, hoping that at least parts of it will be beneficial to someone at sometime, and perhaps help them or another in their life journey--for we are all here to help one another. I praise God for the ability to read and write, which can often be taken for granted in our modern world. I ve always had a great fondness for them, and always wanted to be both a better, more wildly read reader, as well as a much better, more widely read writer. Instead of making this autobiography one long chronological prose without chapters--which at first I thought I might do, I soon came to the realization that someone might want more organization so that they could turn right to a particular category and read about a specific topic and/or retrieve certain information. In addition, I soon found that a long chronological text would be more difficult and not serve my purposes as well. Anyway, I feel that for a work of this size, nature and content, chapters are certainly a must. And although some of the material might be stated more than once, I prefer that rather than run the risk of omitting something. In places, this book is not of any particular design or sequence, except maybe in the beginning where it does somewhat follow a resemblance of chronological order, and within each chapter there is some chronological pattern. However, a good deal of the...
