

The Second World War: A Short History

Filesize: 2.19 MB

Reviews

It is just one of the most popular ebooks. It usually fails to price an excessive amount of. You will not really feel monotony at any moment of your time (that's what catalogues are for about when you check with me).

(Matteo Torp)

THE SECOND WORLD WAR: A SHORT HISTORY

To get **The Second World War: A Short History** PDF, please refer to the link beneath and download the ebook or gain access to other information that are relevant to THE SECOND WORLD WAR: A SHORT HISTORY ebook.

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, The Second World War: A Short History, R. A. C. Parker, The Second World War is a compact but comprehensive and absorbing history of the war. It examines the causes of the war, how it was won and lost, and its far-reaching consequences for humanity. In tracing the key events of both the European and the Far Eastern wars, R. A. C. Parker outlines clearly the strategies of the participants, the economies and societies that underlay them, and the strengths and weaknesses of their fighting forces. He describes the decisive battles and analyses the reasons for their outcome, paying close attention to special features of the war: mobile warfare, forced migration, the Holocaust, strategic and nuclear bombing. Unlike many other histories of the war this book places British and European involvement squarely in an international perspective, and the author never shies away from raising fundamental questions.
